RE: RECENT BMW EVENT IN KNYSNA

I want to thank BMW for inviting me to attend the BMW excursion in Knysna last week. A big thank you for the hospitality in general, and thank you personally in particular for being a good chauffeur!

Being in the BMW family for the past 25 years I'm happy that your vehicles and technology continue to occupy the top spot internationally. Sheer driving pleasure, indeed.

What a weekend, because I won the tournament as well. The team spirit was great. A special mention must be made of the staff of Siyenza Management and BMW for their courteousness and professionalism in arranging our trip and our stay. Let me assure you that I won't hesitate to participate in future events.

To you and your wife, and the staff of BMW: Merry Christmas and a Happy New Year!

Kind regards

HB Holomisa
