Dear Ms Hart

29TH SESSION OF THE WORLD HERITAGE COMMITTEE

With the 29th Session of the World Heritage Committee now firmly behind us one can reflect on the two main meetings that took place: the Africa Experts Meeting in Cape Town (15-18 March 2005) and the 29th Session of the World Heritage Committee in Durban, 10-17 July 2005.

It was a huge task to arrange two such big international meetings within the span of four months, but it was excellently organised. Your constant support and immediate attention to all our requests was key to the huge success of the event. The Director of the World Heritage Centre wrote: *"We were very impressed by the dynamic and efficient work carried out by the organisers and the young volunteers for an event of such magnitude..."*

Please convey our sincere gratitude to all the people and companies that have worked with you for the sterling job that they have done. It was no mean

feat for Turners Travel to handle all the travel and accommodation arrangements, as well as the excursions to St Lucia Wetlands and to uKhahlamba/Drakensberg. The delegates enjoyed the excursions tremendously and were overwhelmed by the South African hospitality.

Selbys provided state of the art equipment and was always on duty to solve but the slightest problem. Their professionalism is highly appreciated.

I wish you all the best with your future endeavours.

Kind regards
